***Here is a photograph of our very much loved Scotties who are deciding whether or not to go out in the garden as it was “spotting” with rain !***

***Maisey (left) is currently 20 months old and Hamish (right) is now 3 years old. Both have been well placed at most of the Championship shows we have attended and both are DFS Crufts qualified. They have also been very successful at the open shows we have entered.***

***Hamish is also a registered Pets As Therapy dog and regularly visits a special school for disabled children. He is very much loved by the pupils and staff and is also helping one of the children overcome their fear of dogs.***
