

## **TAHGMOR**

*The loving and caring home of our affectionate and happy Scotties.  
Celebrating the 30th Anniversary this 2017. Also 35 years in the breed in 2018.  
Our first Scottie, Chico Laird of Tahgmor in 1983, the inspiration and love for the breed.  
Eight Scotties since and four entered in the Stud Book.  
Our current team, all qualified for Crufts 2018.  
So far, three having achieved the Good Citizen Dog Scheme Bronze Award.  
Edna and Topolino having achieved the Bronze Test Award in 2017,  
now training towards the Silver Award and competition Rally.  
Hoping for tiny paws by our young girls in the near future and  
hopefully a home bred Tahgmor baby in the ring in 2018.*

*Our current team ... Edna, the youngest, Florence and Topolino, the veteran ...  
all enjoying the showring and generally well placed; all having gained Firsts at  
championship shows and celebrating the end of 2016 each having won a First at LKA Ch.  
Show and  
Best Veteran in Breed.*

*Plus our great delight and honour in winning top place in both the last sets of the Memorial  
Stakes of 2016 First in both dogs and bitches - having been offered by the North Midlands  
Scottish Terrier Club each year until recent closure of the club.*

*2016 has also seen the team winning another First Place at the STBEA Limited Show  
Fancy Dress Competition as pictured below, all sporting their costumes very proudly.*
